71-516.02

Legislative findings and declarations.

The Legislature finds and declares that:

- (1) Certain nursing homes and related facilities and assisted-living facilities claim special care for persons who have Alzheimer's disease, dementia, or a related disorder;
- (2) It is in the public interest to provide for the protection of consumers regarding the accuracy and authenticity of such claims; and
- (3) The provisions of the Alzheimer's Special Care Disclosure Act are intended to require such facilities to disclose the reasons for those claims, require records of such disclosures to be kept, and require the Department of Health and Human Services Regulation and Licensure to examine the records.

71-516.04

Facility; disclosures required; department; duties.

Any facility which offers to provide or provides care for persons with Alzheimer's disease, dementia, or a related disorder by means of an Alzheimer's special care unit shall disclose the form of care or treatment provided that distinguishes such form as being especially applicable to or suitable for such persons. The disclosure shall be made to the Department of Health and Human Services Regulation and Licensure and to any person seeking placement within an Alzheimer's special care unit. The department shall examine all such disclosures in the records of the department as part of the facility's license renewal procedure at the time of licensure or relicensure. The information disclosed shall explain the additional care provided in each of the following areas:

- (1) The Alzheimer's special care unit's written statement of its overall philosophy and mission which reflects the needs of residents afflicted with Alzheimer's disease, dementia, or a related disorder;
- (2) The process and criteria for placement in, transfer to, or discharge from the unit;
- (3) The process used for assessment and establishment of the plan of care and its implementation, including the method by which the plan of care evolves and is responsive to changes in condition;
- (4) Staff training and continuing education practices;
- (5) The physical environment and design features appropriate to support the functioning of cognitively impaired adult residents;
- (6) The frequency and types of resident activities;
- (7) The involvement of families and the availability of family support programs; and
- (8) The costs of care and any additional fees.
